HERITAGE ON THE MARINA
PROJECT WORKSHEET

QUESTION	*WHO?*	*RESPONSE*	*TIMING*
1. Overview			
What are the goals of this project?			
How will this project improve the Heritage?			
Improved financial viability			
Larger apartments with amenities (e.g., laundry, air-conditioning)			
Lower monthly fees			
Why was the initial plan scrapped in favor of this one?			
Why is it being done now?			
Is there an approximate timetable (subject to change) for the entire project?			
How can we best communicate with the Sequoias during this process?			
How will residents be kept informed about what's going on?			
What will happen to prospective new Heritage residents before/during the process?			
What will happen to staff at the Heritage? Contractors? Vendors?			
Is Sequoias management sensitive to the fact that Heritage residents are losing their homes?			
Will counseling be made available for Heritage residents who want emotional support?			
Who will address the concerns of our Marina district residents?			
How can we keep Heritage residents' family members and friends informed?			
Are there lessons to be learned from other Sequoias Living renovations/expansions?			
2. Planning, Design & Approval			
Where does the plan stand at this time?			
Will residents have any input into the design?			
When will the project be submitted for approval?			
Who needs to approve it?			
When do you expect to have approval?			

QUESTION	WHO?	RESPONSE	TIMING
3. The Move Out			
When will residents start moving out?			
Will everyone move at once, or in stages?			
Timing of Perry/Connector move?			
Timing of Morgan move?			
How will it be determined where each resident moves?			
Will residents have any say in where they move?			
Will Morgan residents be able to move into the new tower while their apartments are renovated?			
Who will conduct the packing and moving of residents' belongings?			
If a resident chooses to avoid all of this disruption and voluntarily move to another facility, will s/he get any of the initial deposit back?			
4. Demolition & Construction			
When will demolition begin?			
How long will demolition take?			
Will it be done all at once, or in stages?			
5. The Time Away			
Will Heritage residents be housed near one another--e.g., on one floor?			
Will Heritage residents be able to eat together? Meet with each other?			
What fees will Heritage residents pay at other facilities?			
Monthly fees?			
Visitor meals?			
Out-and-about excursions?			
How will Heritage residents receive their mail? Do they need to file change-of-address?			
Where will Heritage residents get their medical care? *[clarify this question]*			
How will Heritage residents be kept informed about the project's progress while they are away?			
6. Those Not Moving			
How will life change for those (i.e., the Flats, also Morgan residents in early stages) not moving?			
Will meals still be provided? If so, how/where?			
What disruptions/inconveniences can be expected during construction?			

QUESTION	*WHO?*	*RESPONSE*	*TIMING*
7. The Move Back In			
Are all Heritage residents who have to move out guaranteed an apartment once the project is complete?			
When will residents start moving back in?			
Will everyone move at once, or in stages? Over what period of time?			
How will it be determined where each resident moves?			
Will residents have any say in where they move?			
Will returning residents have priority over new residents?			
Will returning residents move in before new residents, so we can reestablish the community?			
Who will conduct the packing and moving of residents' belongings?			
Will residents' fees change after we move back in?			
Could a resident decide *not* to move back to the Heritage?			
Will new Heritage residents pay higher initial payments?			
Will new Heritage residents pay higher monthly fees?			
Will there be sufficient parking in the new building:			
For residents, many of whom are likely to be younger than current residents?			
For staff, who currently have to use street parking			
For visitors?			
Will there be apartments for all returning Morgan residents, given that there will be only 1/2 as many apartments?
